OFFERING / OVERVIEW

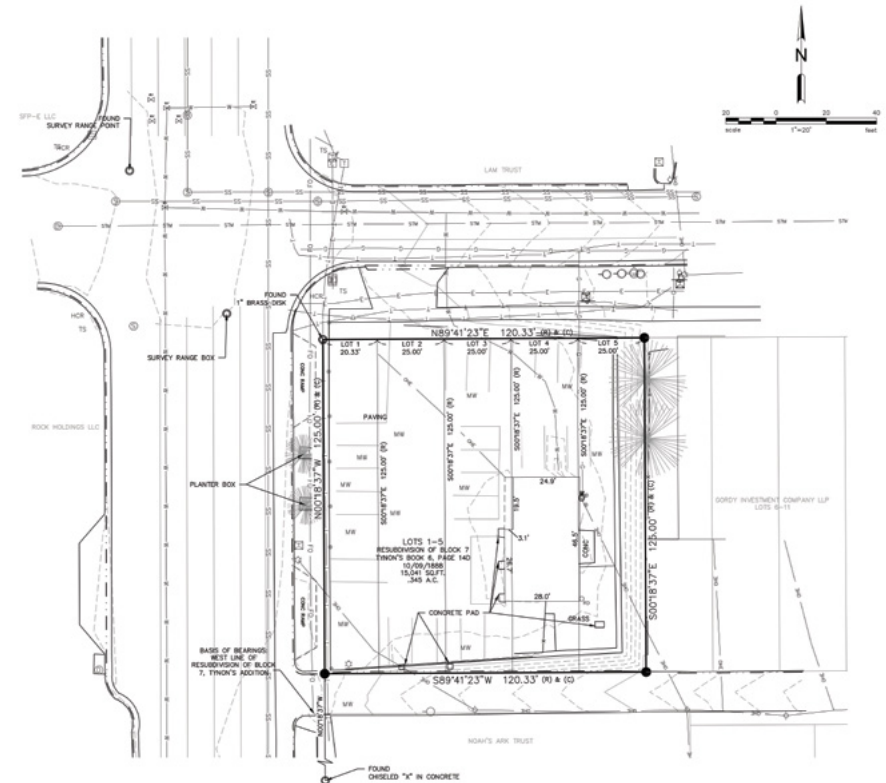

1940 Federal Blvd, Denver, CO is a 15,104 SF hard-corner site zoned C-MX-5, located in the heart of Denver's Highlands submarket and directly adjacent to Empower Field at Mile High, home of the Denver Broncos. The property features a 1,139 SF two-bay shop-style building with grade-level loading. As one of the last larger undeveloped parcels in the area, it offers exceptional potential.

Within easy walking distance to the stadium and numerous retail and dining options, the site also benefits from excellent access to public transit. While current zoning allows for redevelopment of up to five stories, the existing structure offers a compelling opportunity for adaptive reuse.

- Rare-sized site in the submarket
- Rectangular-shaped lot
